**Subject : Uncompromising circumstances prevailing in NQO which needs to be addressed at the earliest.**

Respected Sir,

We are in receipt of a letter from our executives in NQO platform, it is very unfortunate that such uncompromising circumstances continue to prevail year after year, please find a copy attached for your perusal and kind consideration.

The issue of over manning, conceiving in unhygienic circumstances as well as the issue of catering has become common in every platform, we are not averse to the revamping development and upgrading of existing technology, we stand by you as it is need of the hour today.

Particularly it is fact that the design capacity of the kitchen does not match the prevailing POB and to add to this, all existing kitchen gadgets are in such condition with age that they are long overdue for replacement; also find a list of gadgets attached which are beyond repair.

It is earnestly requested that a prompt action may please be initiated and corrective measures be implemented before patience run out, please feel the harsh truth that the work morale of offshore employees are ebbing away for all above facts and also for reasons that do not fall within operational preview, like offshore hard duty allowance etc.

With regards,  
Thanking You,  
Yours faithfully,

o/c
