Subject: Irregularities in catering services in Sagar Laxmi Process platform.

Respected Sir,

We are in receipt of a letter from our members of Sagar Laxmi Process Platform concerning irregularities of catering services of Sodaxo, please find copy enclosed, along with the copies of complains noted in the complain register for your perusal and necessary action, and arrogant behavior of Onboard Catering Manager, a copy of the complaint from our Doctor is also enclosed.

Failure in proper catering services of SODAXO in Sagar Laxami is not in isolation, we have complains from all the assets, the disturbing fact is the concerned OIM is not ready to initiate any action against the caterer, even after repeated complains are brought to his notice, be it short supply, be it unbranded raw materials, or be it sub standard cooking, this unfortunately attributes to hand in gloves activity of the OIM with the caterer, we may be completely wrong in our perception, hence your authority is earnestly requested to have an personal overview of the prevailing unaccommodating circumstances.

Most heinous activity has surfaced of the caterer i.e. dry fruits that are given to the contractual employees are purchased back and given to our regular employees which are normally found with insects, even this complains are blanketed.

... 2 ...

We are hard pressed by our members all over in offshore to resort to direct action against the pedestrian services or call it all round failure of SODAXO Catering services, if nothing improves we will be forced to resort to Hunger strike.

Thanking You,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
