Subject: Purchase of Branded Cotton Dungarees for the year 2012.

Respected Sir,

After long persuasion with our C&MD & D(HR) a committee being constituted towards purchase of Fire Retardant Dungarees, which will be suitable for our Climate & Working condition and accordingly the specifications are finalized.

As it was anticipated that above procedure will take a year time it was decided 3 sets of cotton Dungarees per employee be purchased. Accordingly office order is also issued please find copy enclosed for your perusal.

Keeping in view our past experience it was emphasized and agreed upon by the above authority that only branded companies should be entertained. We understand Uran plant is going with board purchase of 250 dungarees, unfortunately stress on branded purchase is overlooked.

Your authority will certainly agree with us that our persuasion is in the interest of our organization and personal safety, such purchase of unbranded cloth is in disregard to our efforts. It is our earnest request, kindly advice the board members to desist from doing so, otherwise please do not hold us responsible for the possible repurcations, as we will have no option but to boycott accepting the dungarees.

We request your esteemed authority to nominate one member in the board from recognized union.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
