**Subject: Cricket team selection representing Hazira Plant, Unfair & foul.**

Respected Sir,

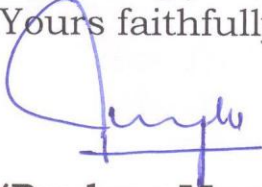

We in principle have never interfered in the selection procedures of any sports team in WOU, as we always felt the teams to represent were selected without being biased and without any foul play, unfortunately the circular surfaced to represent Hazira unit Cricket team has not gone through any selection procedure, this of course news came to us as a shock.

Now why do we interfere, because at the outset the team is nominated and not selected, it could not be digested as a coincidence that the entire team members are from Petroleum Employees Union (PEU) as it is being made a propaganda machinery for the forth coming union election. **"It is circulated that, become our member and you will get entry in the Cricket team"**.

It is our firm demand that the declared circular be scraped, and proper selection procedure be adopted, to ensure fairness in the selection an independent selector be appointed out of ONGC from Mumbai as Hazira comes under WOU.

We request your esteemed authority not to misunderstand us, we sincerely wish that an amicable atmosphere prevails in Hazira plant, due to the colour given the atmospheres in the plant has already become volatile, things may aggravate and become violent if prompt actions are not taken. We will accept the outcome of the selection procedure as requested.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**  
**General Secretary.**
