OFFICE ORDER

This has reference to JCM held on 18th to 19th March 2012, at Jeevan Bharti, New Delhi, during which certain issues related to core safety items were discussed and it was suggested to review the specifications. Further, EC in its 411th meeting held on 20th to 22nd March 2011 desired that specification of Fire Retardant overall be reworked in consultation with collectives and HSE.

A task force consisting of the following executives was constituted with the approval of competent authority to firm up the specification for Fire Retardant overall after reviewing the existing specification and keeping in view the best industrial practices.

S/Shri
