Subject : Canteen facility in our Maker Tower office.

Respected Sir,

This has reference to my discussion with you Sir on the above issue.

We have shifted all our offices to Maker Tower for quite sometime now, and understandably we have a population of more than 150 officers and staff and around 50 contract employees, they certainly deserve a full time canteen in our premises.

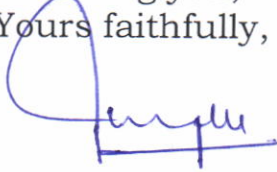

It is well known fact that reaching that corner of Mumbai is very strenuous as it takes long time due to the available bus facilities from Churchgate or CST, so it becomes very necessary to start early from home to reach in time as per our office timing. The issue has precipitated for a long time and an agitated circumstances is very much justified among all the employees who are posted their, for the cause of ONGC.

Contd...

:: 02 ::

Space is not a constraint as canteen was already running from the beginning, it is once again requested that please advise the concerned authorities to expedite the matter and install back the canteen at the earliest, we are putting our best efforts to pacify our members to display resilliance expecting things will materialize, and not resorting to agitation for every reason, at the same time surfacing the mind blend to the naked truth to your esteemed authority, that we will not be able to distance unrest for a long time.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
