**Subject : Equal and fair opportunity for paramedics (Pharmacists) for Regularization.**

Respected Sir,

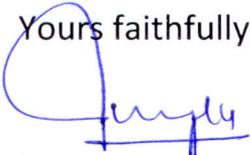

We have floated vacancies to recruit Pharmacists as regular employees, presently for western region, and the procedures will commence very soon.

The plight of Pharmacists functioning in various ONGC installations is very tragic, nowhere to go. Since the time regular posts are getting floated they are all the more crestfallen, overcoming every day with the fear that they will be sooner or later losing their livelihood once regular Pharmacists are engaged.

They are in the grip of this fear perception because they are neither tenure employees nor categorized in any departmental cadre even though they are directly engaged by ONGC without any contract arrangement, and with the lapse of time they are already over aged.

The criteria's laid down in the ongoing recruitment; their applications are not getting accepted. The job of Pharmacist being a perennial and regular in nature **we request your esteemed authority to accept their application extending age relaxation**, when it is a known fact that they were recruited fulfilling all the eligibility criteria, more than once i.e. as on when their service was renewed on lapse of tenure term.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**  
**General Secretary**
