Subject: Extending check fare facility to Marine Security Supervisor (TERM BASED) personal posted in offshore performing ON/OFF duty, or Quarters in Panvel colony.

Respected Sir,

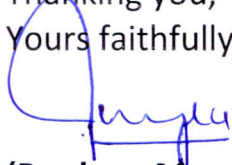

Recently we have employed Marine security Supervisors personnel on tenure basis and posted them in all offshore installations on ON/OFF duty i.e. in all the three assets, they are Ex-Navy personnel having fifteen (15) years of experience and even more.

All these security personnel are not local and have to travel long distance by train, uncertainty of train tickets with confirmed reservation needs no elaboration, and at an average 4 to 5 days are required to travel.

To ensure their availability in duty place without interruption in duty cycle and early reaching home, it is earnestly requested that check fare facility to travel may please be extended to them; as such facility already exists for field operators going to east coast.

Please find enclosed a copy of their place of posting and from where they are operating as well as a copy of office order vide no. 20(3)/RP/11/CP dated 27th March, 2012 where by check fare facility is extended to field operators posted in east coast for your perusal and kind consideration.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
