Sub: Merging of NSB with services group to participate in "Directors Trophy" is not in right direction & spirit.

Respected Sir,

Please find enclosed a copy of letter issued by our secretary NSB detailing the issue on the above subject.

We totally endorse the unrestful feeling of all employees in NSB, we normally do not make union issue reference to activities of sport, but with the above happenings forces us to take the issue to your level, mainly when irrelevant remarks come from sr. authorities.

NSB very rightly has its identy as a team and merging with any other team will unnecessarily have complications and repercussions which will not be in good taste & spirit, unfortunately the trophy which carries the tag of Director-(O) will get stained. It is earnestly requested that NSB a team that has been participating in the trophy since inspection of the trophy may please be retained separately.

Thanking you,
Yours faithfully,

Pradeep
(Pradeep Mayekar)
General Secretary
