Subject : "Non availability of Medicines" in SLQ platform.

Respected Sir,

Please find copy attached from SLQ platform concerning non availability of medicines bringing it to zero level. We are constantly monitoring medicine levels in our Panvel Hospital for over three months and we are getting proto types answers, "requirements are already provided, pending store procedures, medicines will be available shortly".

We have been sounding our concern about delay in procurement & presently non availability of medicines is only due to adoption of procuring medicines through store procedures. We had also brought to the notice, the above issue in our meeting with Director (Offshore), with all justification from authorities of MM & medical department our apprehension stands true.

Circumstances' prevailing as surfaced in the letter enclosed does not support any compromise, we remain firm with the procurement logics of medicines, which is also practiced within ONGC, should be adopted so that above prevailing circumstances should not continue, invariably in offshore installation, non availabilities of medicines, SLQ is not a case of exception, same circumstances prevails in all offshore installations.

:: 2 ::

It is earnestly requested to your esteemed authority to take prompt measures, advising the medical section to procure the listed medicines on emergency and send the same to SLQ at the earliest, before some casualty happens in offshore.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
