Subject: Disputable and high handed activities of I/c co-generation.

Respected Sir,

We are in receipt of letters from our organizing secretary from Uran, please find copy attached for your perusal. We request your esteemed authority to have a personal overview of the situation and advice the concerned authorities to desist from such activities.

Safety is completely bypassed when in our JCM with Directors including our Director (Offshore) speak of no compromise will be acceptable at any level, non-availability of CO2 in co-generation area is most shocking, even more shocking is the arrogant reaction shown by I/c co-generation when brought to the notice by our organizing secretary, Mr. Mangesh Mhatre.

Very recently a major accident in IHI was averted; we hope changes required are already incorporated, precarious housekeeping and nonpayment of OT allowances, keeps haunting us, demanding an Industrial dispute.

Certain activities of the said incharge is very disgraceful, his biased attitude, will be attributed as interference and encouraging inter-union rivalry.

Do not misunderstand us, but it is our earnest request please resolve the issue amicably without delay, otherwise we will be forced to take it at different level including vigilance with sufficient evidence.

Thanking You.
Yours faithfully,

(Pradeep Mayekar)
General Secretary
