**Subject : Precipitating issues causing immense frustration among all concerned in SH complex.**

Respected Sir,

We are in receipt of a letter signed by employees posted in SH – complex, please find a copy of the same for your perusal and due consideration.

It is our prime responsibility to stand by you when oil production from offshore has a slanting scale downwards and we do not differ from the same and we are assured that you will not dispute with, this trend is not only in ONGC but a global trend.

During this constrained atmosphere prevailing all over employee working condition, welfare needs attention that frustration levels do not reach saturation. The issues sighted are not very major but unfortunately are precipitating.

When language of strike or even food boycott is offensive and are not of good taste & spirit, we have been counseling our members to display more patience. We earnestly request your esteemed authority to have a personnel overview and advice the concern officers / authorities to take prompt corrective measures, so an amicable and healthy work atmosphere prevails in SH - Complex.

Thanking you,  
Yours faithfully,

Sir,

We, the undersigned signatories, would like to bring to the notice of your esteemed office/authority regarding some issues which need to be addressed which are as follows:

**1. Renovation of Gymnasium :**

The existing gym at SHQ lacks basic equipments like treadmill, multigym etc. The existing room and the equipments are old and in a very bad condition. The Gym needs complete renovation/upgradation with necessary modern facilities to help maintain the fitness and health of employees.

Despite two living quarters accommodating large number of employees there is only one TT board at SHQ which is damaged since long and needs replacement immediately. One more Table to be installed at SHW living quarter. Besides other indoor game like Two Carrom board with stand etc equipments need to be supplied.

**3. TV sets and subscription paid channels :**
