Subject : Providing Canteen Facility in Maker Tower.

Respected sir,

This has reference to two of our previous letter on the above issue, dated 7/03/2010 & 9/10/2013. Please find copy attached for your perusal.

We understand canteen infrastructure is fully complete for more than 1½ yrs, we have been pacifying our employees from resorting to any confrontational measures, and we have also shifted other offices like T&S office, ODHAC to Maker Tower. An early meeting is requested to understand the constraint in starting the canteen.

Asking people to co-operate for more than 4 yrs is sin, everyone is **frustrated to saturation**, and we also feel that **patience is over displayed**. Not very little, but we have no choice^{but} to resort to action programme, without prejudice to non we are forced to take this harsh decision to proceed on closure of all canteens in office installations, if no positive action is taken within 14 days of issuance of this letter.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary

Sub: Provision of Canteen in Maker Towers.

Respected Sir,

During our recent visit to Maker tower office it was brought to our notice that ONGCians are required to share canteen with the canteen of **MRPL**.

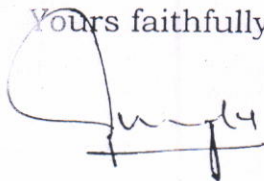

Around forty employees are presently functioning in Makar Tower and it is understood that T&S office will also be shifted very soon, This will enhance the requirement of canteen facility.

As you are aware that the rates of catering is not at par with **ONGC** canteen a well as Non-Vegetarian items are not available in **MRPL** canteen, we request your esteemed authority to provide canteen facility in Maker tower independently for ONGCians. Keeping in view the changes i.e. T&S shifting of office, an early implementation of canteen facility will do good to all employees on more than one way as an welfare measure.

With regards,

Thanking you,

Yours faithfully,

**(Pradeep Mayekar)
General Secretary**

Subject : Canteen facility in our Maker Tower office.

Respected Sir,

This has reference to my discussion with you Sir on the above issue.

We have shifted all our offices to Maker Tower for quite sometime now, and understandably we have a population of more than 150 officers and staff and around 50 contract employees, they certainly deserve a full time canteen in our premises.

It is well known fact that reaching that corner of Mumbai is very strenuous as it takes long time due to the available bus facilities from Churchgate or CST, so it becomes very necessary to start early from home to reach in time as per our office timing. The issue has precipitated for a long time and an agitated circumstances is very much justified among all the employees who are posted their, for the cause of ONGC.
