*Invitation to attend the 39th Congress of FNIC CGT  
From March 29 to April 3, Ile de Ré (near La Rochelle).*

*Dear Comrades,*

*In our countries, workers endure a difficult, even growing worse situation, due to continuous assaults from the international financial establishments. Collective and union rights are denied, in name of competition and global competitiveness, with the evident purpose of disuniting the workers, through the opposition of the peoples, thus dangerously giving space to sectarian and nationalist politics marked by various forms of racism.*

*The 39<sup>th</sup> Congress of FNIC CGT is being organized within an international environment, so as to build alternatives based on social progress solidarity among all workers, uniting economic and social evolution through the setting up of democratic rights.*

*CGT National Federation of Chemical Industries is pleased to invite one or two comrades from your organization to attend its 39<sup>th</sup> Congress, which will take place in Ile de Ré (near La Rochelle – France) from March 29 to April 3, 2014.*

*Upon receipt of your positive answer, we shall send you all information on the arrangements and agenda.*

*Looking forward to reading from you soon.*

*Very best regards.*

To the international  
delegations attending the  
39th Congress of FNIC CGT

Montreuil, January 27, 2014

Dear Comrades,

We are pleased to have the opportunity to welcome you at the 39<sup>th</sup> Congress of the National Federation of Chemical Industries, which will take place from March 30 to April 14, 2014.

So as to allow us to host you in the best possible conditions, we need to get from you, very soon, the attached information sheet.

As you know, the success of a CGT Congress, which is a major time of union democracy, is mainly linked with its practical and political organization : so we do insist that you send us soonest all information regarding your delegation.

The most convenient airport for you to arrive is

Bordeaux airport (France).

You might have a direct flight from your country to Bordeaux but it might also be necessary for you to transit through another airport anyhow. We have arranged for someone to wait for you in Bordeaux : please let us have your flight number, together with your arrival day and time.

The 39<sup>th</sup> Congress will take place in a "holiday village", owned by the union and associative movement, located on an island, Ile-de-Ré, very near La Rochelle. FNIC CGT will take care of you from Bordeaux airport to the Congress place, and during your stay.

Attached are various documents :

- for your information, the agenda of the Congress and of your delegation,
- the information sheet to send us back as soon as possible.

Looking forward to receiving all necessary information,

Yours sincerely,

**Carlos MOREIRA**  
General Secretary – FNIC CGT
