GGM-PMU, ONGC, WOU,
Uran Plant, Dronagiri Bhavan,
Uran-Raigad-400702.

o/c

Sub.-: Non-availability of PPE in Uran Plant.

R/Sir,

With all your efforts we are able to achieve the targets and we are proud that Uran Plant is playing an important role in our production sceneries. In reference to the above subject which relates to personal health, hygiene and safety, unfortunately has taken a back seat.

Sadly we have to bring to your kind attention that, for the last five to six years PPE, such as ear plugs, face mask, hand-gloves, etc. are not being procured and provided to our employees which are needs of safety concern.

The rate at which our plant has expanded most of our employees are working in areas where there is high intensity of sound and also affected by H2S. In such challenging conditions PPE plays a very important role. Some of our employees who are working in such areas for the last many years have complaints of partial deafness and suffocation.

So we request your esteemed authority that all articles pertaining to PPE safety should be provided at the earliest, before the health of our employees goes from bad to worse.

Thanking you

Yours faithfully

P. D. Keluskar

(P. D. KELUSKAR)
VICE PRESIDENT
