Sub.-: Regarding the visit of ONGC doctor to Trombay Terminal.

R/Sir,

As you are aware that there are two doctors of ONGC working in Uran Plant. One is Dr. (Mrs.) Kalita and the other is Dr. John who are working in general shift. There is one contract contractual doctor, who is available round the clock in the plant but does not have the authority to issue the credit note to the ONGC employees. Also one of the ONGC doctor i.e. Dr. John has to visit Trombay Terminal every week on Friday. However / more ever we would like to bring to your notice that Dr.(Mrs.) Kalita, being incharge of Occupational Health Centre, Uran, sometimes has to go attend meetings or may be sometimes on leave for her personal reasons then our Uran employees and other ONGC employee residing in the nearby villages find difficulties to get the credit note on Fridays as no doctor is available in plant.

Sir, the point behind elaborating the above situation is that both the ONGC Doctors should be made available specially on Friday and Monday of every week as these days are last and the first working day respectively after the weekend holidays. Also there is no need to mention the sensitive and hazardous nature of our plant separately.

Sir, we are not against the visit of our doctor to Trombay Terminal but let it be on any other day barring Fridays and Mondays so that no inconvenience cause to our employees.

We request your esteem authority to kindly look into the above issue for earliest needful action please.

Thanking you.

Yours sincerely
