Sub.: "Justice denied", recognition work through awards given on Republic Day-2015.

Respected Sir,

We are in receipt of letter from staff of BPA employees who are given secondary treatment towards acknowledging their contribution towards successful operation of BPA platform, hence carrying a feeling of "**Justice denied**".

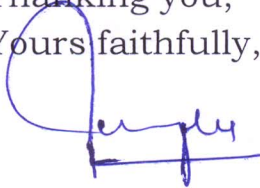

BPA has completed 25 years since its installation, naturally it need not be elaborated that the wear and tear it has gone through certainly demand very high frequency of maintenance as well as quality maintenance, this needs extra efforts from the maintenance team.

It is hard to digest that the entire maintenance team is not worth any award, even if benefit of doubt is given that this could have happened due to oversight, but cannot happen repeatedly, this certainly needs an enquiry.

Please find enclosed the list of awardees for your perusal of two consecutive years which clearly shows the claim of maintenance department staff is very true, that was not by oversight.

We request your esteemed authority to look into the matter as such circumstances will ebb away all work moral and initiative of the maintenance team.

Thanking you,
Yours faithfully,

o/c

(Pradeep Mayekar)
General Secretary
