Subject : Security compromised of office installations and Residential Colonies.

Respected Sir,

It has been brought to our notice that verbal instructions has been given, to security guards who are working under the contract of "CISB Security Pvt. Ltd." contract awarded for manning ONGC offices and residential colonies, not to continue even if reliever has not reported.

We would like to inform you that if such decision has been taken by security department the same may please be brought on the record and it should be circulated among the guards, it may please be noted that if anything happens in the shift where guard is not present, security guards should not be held responsible for the same.

We not only attribute, non issuance of circulars for the above decision is dodging of accountability, but also compromising the security of installations, employees and their families.

We once again request your esteemed authority to advice the concerned authorities in Security Section to desist from such decision.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
