**Sub.: Extreme need for counseling.**

Respected Sir,

We are in receipt of an unfortunate submission from our fellow employees in ICP platform concerning Mr. T. Kiran, AEE (P), where in unsafe working atmosphere is conceived.

We accept with conviction that a young engineer who has successfully gone through ONGC selection procedure is no ordinary talent. His behavior largely speaks, he is immensely disturbed with happenings with him could be office (Platform) or/and his home and family.

This cannot be taken as self defense by removing him from platform stating unsafe work atmosphere, he needs to be counseled along with his family.

We request your esteemed authority applying your vision and experience to do the needful at the earliest, keeping the fact in background that we are starving of good young engineers in offshore installations.

Thanking you,  
Yours faithfully,

O/C
