Subject : Revival of HVAC units in WIN Process Complex.

Respected Sir,

Please find enclosed a copy of the letter received from employees of WIN process platforms on the above issue.

While concentrating on increasing and maintaining production levels, living conditions getting compromised is highly undesirable, unfortunately, this is happening for over two years in WIN process platform.

M/s. TTPL's contracts got discontinued obviously for legal reasons, we are not aware concerned authorities are made accountable or not, we are yet to see a replacement, but all this is happening at the cost of employees onboard who are toiling day and night to honor managements commitment.

It is earnestly requested to expedite the matter in making all the four (04) HVAC operational.

Thanking you,
Yours faithfully,

ok

General Secretary
