Subject : Multiple issues precipitating in BPB/BLQ-II & BPA platforms.

Respected Sir,

We are in receipt of representations from the crew of above platforms regarding welfare issues and poor catering service including use of non specified and non branded food items of **M/s. Saraf Offshore Services Pvt. Ltd. and M/s. Saraf Hospitality Services.** Please find enclosed the copies for your perusal.

The contents of the letter are self explanatory which speaks about replacement of Kitchen equipment for which contract has been awarded to **M/s. V. K. Offshore** and no work has been started till date. The requirement zerox machine is being continuously raised by the platform from the year 2011 to 2013. It speaks how important it is to procure Zerox machine for them, please find enclosed earlier correspondence from OIM BPB process complex dtd. 21.12.2011, 10.09.2012, 23.09.2013.

The shocking and surprising facts brought in notice that no complaint book is kept in mess since June 2015. Even catering staff is misbehaving with our crew on board and no regular canteen committee meetings are held. It seems that there is no control of our OIM's on board on the contractor.

:: 02 ::

We request your esteemed authority to kindly go through the complaints and direct the concern officers to take appropriate actions to avoid further unrest, specifically, it must be ensured that complaint book is kept with numbering on every page in canteen immediately.

Thanking you,
Yours faithfully,

O/c
