Subject : Request to reinstate the catering facility to the crew members working on BPB / BLQ platform.

Respected Sir,

We are in receipt of a letter dated 21/11/2015 from the crew members of BPB / BLQ II platform regarding discontinuing the catering service on the instructions from base office of B&S asset. Only tea and snacks were served to the employees working in the field, which was saving considerable time. We feel before discontinuing this facility, meeting should have been conducted among crewmembers to discuss the issue as this would have been a right approach towards resolving the issue.

On contacting to OIM-BPB he showed his inability to resolve the issue as the instructions were received from base. Officials sitting in the office are taking such decisions which are creating problems in the field. More over BPB process is a large installation which is having the facilities like well head platform, BPB process platforms BCPBI and BCP B 21 Booster Compressor Platforms. Please find enclosed the signed copy of crew members for your perusal.

We request your esteemed authority to kindly look into the matter and catering service in the field may please be reinstated so amicable atmosphere prevails on the platform.

Thanking you,
Yours faithfully,

[Signature]
(Pradeep Mayekar)
General Secretary
