Accordingly total 9 regular employees has been laterally shifted and joined to the Assets as mentioned in their appointment order. We are very much thankful to your esteemed authority, to CDS & HDS office, R&P section and Director (O), who has taken keen interest for lateral shifting, which has solve the problem of acute shortage of Crane Operator to some extent.

Now we have received 8 more applications from our regular employees who are possessing requisite qualification including **API-2D Certificate** for the post of Jr. Asst. Optr.
