Subject : precipitating issues creating unrest in Heera Platform.

Respected Sir,

We are in a receipt of letter from our members of Heera Process Platform regarding non availability of some items and safety gears. The same complaints we have received in the past also. Please find enclosed the copy of the same for your perusal.

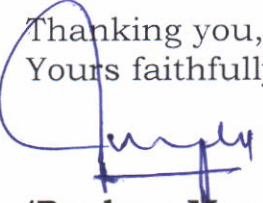

Requirement of galley items or equipments should not be pointed out by crew members on the platform. We feel it is the duty of OIM on platform and he should visit the galley at least one time in a month so that such complaints do not be precipitate. As most of the requirement of equipments is of kitchen, we must take action on top priority to provide them. During the visit by your esteemed authority, requirement of Gymnasium was explained and as directed by you, the space is made available on the platform.

The procurement of safety gears in time is a dream for ONGC crew today. Not receiving Shoes, Dungarees and Hand gloves in time has created very unsafe and neglected feeling among the employees working in offshore.

Your esteemed authority is requested to look into the matter and direct the concern department to initiate the action to solve the problems narrated in the letter at the earliest.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
