Sub: Sanctioning the medical Bills as per rates of Panel Hospitals in Mumbai.

Respected Sir,

It has been brought to our notice during my visit to offshore platforms regarding sanctioning claims of medical bills of the employees staying out of Mumbai where Hospitals are yet to be considered on the panel of ONGC. Even Nasik city, having hospitals like "**Apollo & Fortis**" are yet to find its place in our panel list, when request application of around hundred (100) employees are attached that amounts to at least four hundred beneficiary.

When the process is painstakingly slow, their medical claims being shown the gates of KEM rates, Pune, is not only harsh, it is as if medical benefits does not exist for them, additionally they are taxed 30% of the dressed bill towards income tax.

Till such time, panel hospitals don't come up and to over come this problematic uncomfortable situation, we suggest the medical bills may please be sanctioned as per the rates of any of the panel Hospital of Leelavati, Hinduja or Kokilaben. It is pertinent to mention, to bring the patient in Mumbai, employees has to bear the expenses on travelling plus we have to provide guest house accommodation to their family, so also the travel time could be fetal.

Your esteemed authority is requested to kindly take the decision on the above mentioned issues for the offshore going employees only doing ON/OFF other than Mumbai city.

Thanking you,
Yours faithfully,

o/c
