Subject : Compliant regarding Poor Housekeeping in ONGC D.N. Nagar.

Respected Sir,

We are in a receipt of complaint regarding poor house keeping by the contractor **M/s. ADICON** who has been awarded the contract for house keeping in ONGC D. N. Nagar colony.

When subletting provision is not quoted in tender clause it is very surprising the said contract has been subletted to Mr. Pravin Shetty, prior to this he was the contractor for house keeping in the colony. The house keeping performance of Shri. Pravin Shetty was very very poor in the past, on multiple occasion colony residents had brought to the notice verbally and were all set to bring it in writing, coincidentally new contract was awarded to **M/s. ADICON**.

It has been surfaced on many occasion in various contracts, practice of subletting has always compromised quality, it should be mentioned in the tender clause, "**subletting of contract is strictly prohibited and will draw heavy penalty to the extent of black listing**" this not only leads to quality compromise, it gives soft platforms and encourages the contractors to engage themselves into all sort of unwanted illegal practices.

M/s. ADICON has taken over charge of the said contract on 3rd Oct'2016 but till date has not supplied liquid soap, Bleaching Powder, Acid, Phenyl, Dust Collector bins to his employees this was the scenario in the past also. The house keeping condition of the colony is awfully unhygienic, the plight of our employees residing in the colony is unbearable. We must take prompt action, authorities from H&W must make surprise cheks, visiting the colony to ascertain the pathetic situation.

:: 02 ::

Let me bring to your kind notice that young couples are staying in the colony with their newly born babies. Unhygienic condition of the colony makes it very vulnerable, corrective measures should be a top priority to avoid further unwanted situation, as you must be aware that Mumbai city is under the grip of Malaria and Dengue.

The above unhygienic condition in the colony cannot be compromised when we are spending substantial amount on awarding house keeping contracts. Your esteemed authority is requested to look in to the matter, most importantly analysing our past experience Shri. Pravin Shetty should not be allowed to continue as sub contractor in the colony. The new contractor M/s. ADICON must be issued warning notice to desist from such practices and penalty must be imposed on him for such lapses, also he must discontinue with the subletted contract of Mr. Pravin Shetty.

Delays will easily give room to attribution of someone being hand in gloves with the present contractor as well the subletted contractor, fact that plight of our own employees is being overlooked, and parallaly will also draw aggression from our end, it is once again earnestly requested addressing the issue, immediate action may please be initiated, this will be highly appreciated too.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary

Subject:-Regarding Poor Housekeeping at ONGC, D.N.Nagar Colony.

Reference: - Prior letter dated 19/09/2016.

Respected Sir/Madam,

We the undersigned, resident of ONGC, D N Nagar Colony want to inform your esteem office that as our prior discussion we came to know that new contract of housekeeping for D N Nagar colony has allotted to M/S. ADICON & he has started his work from last month from dated 3rd Oct.2016

We also came to know from sweeper that m/s ADICON has allotted sub contract to Mr. Pravin Shetty. We observed that since last one month (from 3rd Oct.)to till date neither any person contacted us from M/S. Adicon nor any cleaning material provided by them e.g. Liquid soap, Bleaching powder, Acid , Phenyl, Dust Collector, etc. as required for cleaning of the colony area.

Due to lack of cleaning materials, the said contractor appointed for the housekeeping are continuously failing to keep the colony premises area clean and hygienic and it is affecting directly to the health of families residing in colony.

So, kindly look into the matter and take appropriate action and penalty may please be imposed as per the provision in the contract. Your esteem authority is requested to provide contract copy of housekeeping to the RWA D N NAGAR COLONY at the earliest.

Thanking you,

Yours sincerely

(RESIDENTS OF D N NAGAR COLONY)
