Sub: Extension of the tenure base employees working in MH-Asset as Field Operator.

Respected sir,

This has reference to the third extension of tenure base employees working in the MH-Asset. The tenure of the following three employees has been expired on 20th March'2016 and it is understood that still their names are not forwarded to competent authority for extension. In fact before expiry date concern assets should have initiated the file for extension as there should not be any gap in between two tenures. Now already one month have passed and still files are pending with asset. The following are three employees eagerly waiting for their third extension to come. They have already lost their one month salary. We are afraid that as there is gap of one month, sanction for extension may not be approved.

S.No.	Name	CPF No.	Platform	Cast
1.	Shri. Pravin Bodhade	96626	NQO	S/C
2.	Shri. Sudhir Sengare	96777	SHP	S/C
3.	Shri. Jayesh Subhedar	96758	SHP	S/T

Out of three tenure based employees two belong to S/C category and one employee belongs to S/T category. The Drilling Services have already moved the file of concern employees and obtained their extension in advance.

Your esteemed authority is requested to look into the matter as it is very serious and delay from our side will have serious repercation to the extent these employees may lose their jobs. Only choice with the union is go into action by asking the individuals to proceed on hunger strike.

Thanking you,
Yours faithfully,

o/c

General Secretary
