**Sub : Issue of toiletry kit to employees working in well services, cementing and logging department.**

Respected Sir,

We are in receipt of serious complaint from staff and officers working in well services cementing and logging, not receiving toiletry kit since 2010. Till date they have received only one kit from the section. This unfortunate fact is being brought to the notice to various authorities in your department by the crew member, as well as repeatedly to the HR for streamlining issuing of toiletry kit.

It pains us to quote a decision in line is yet to see the light of the day even after a lapse of seven (7) years, what do we attribute this as, lack of will or incompetent to get things through in reference to the kit mentioned above. When we use these language we are termed as unruly or being arrogant, I am sure you will agree that this is not our culture but sufficient room is given to us.

The provision of toiletry kit to offshore going employees in catering contracts was brought in BEC by our Union long back. After the recruitment of these employees our catering contract has been awarded second time in the year 2016.i.e. from 1<sup>st</sup> April'2016. Why action has not been initiated to issue them toiletry kit is best known at your end.

:: 02 ::

We are enclosing herewith the list of employees including executive and non executive who are overdue for the issue of toiletry kit.

Your esteemed authority is requested to kindly initiate the action immediately to avoid further unrest. We hope you will not compel us to go on direct action for legitimate demand of crew members working in well services i.e. in offshore.

Thanking you,  
Yours faithfully,

e/c
