**Sub : Request to conduct an enquiry for favoring contract employee and not allotting bed to Shri. Atul Mhaskar, A. T. (Instt), CPF 126321.**

Respected Sir,

We are in a receipt of serious complaint regarding non allotment of accommodation to Shri. Atul Mhaskar, Asstt. Tech. (Instt.) CPF no. 1236321 on SCA platform in line with his request by Shri. T. P. Singh OIM SCA. Please find enclosed the copy of the same for your perusal.

Shri. Atul Mhaskar is allotted bed in room no. 407 since 2013 since he joined ONGC and was posted in SCA. In this single room there are total 10 beds where contractor persons are staying, for four years he has borne the uncomfortable environment. One bed was vacated in room no. 401 on 18/6/2017 for which Shri. Atul Mhaskar requested for allotment to Shri. T. P. Singh OIM SCA. Unfortunately the bed was favoured to a contractors person of M/s ABB. Why the bed is allotted to contract person when there was request from our own employee draws questionable integrity of Shri. T. P. Singh. Favouring contract employee over our employee is like inflicting humiliation and cannot be compromised.

Not living with contractor persons is not a apartheid issue, visit to SCA platform can make you realise the situation. Contract persons keep their rooms horribly dirty, stinking and keep making so much of noise, can cause psychological deprivation, increasingly causes sleep disorders and Mr. Mhaskar who is going through all these and more had requested his OIM for the said change.

Non compliance to the said request makes us attribute two things, one personsl grudge against Mr. Mhaskar or wasted interest being hand in gloves with the contractor M/S ABB. At the outset we want that Mr. Mhaskar be aloted a bed in room no. 401, and the contract person be clubed with other contractual employees in room no. 407 or and other choice of OIM.

Keeping in view the over crowded POB in SCA, and the safety of man and meterial getting overstepped, let me recall we had already written to your esteemed authority way back in 2015 for increasing accommodation, and how we can achive it. Please find enclosed the copy of the same for your perusal.

Once again it is worth mentioning, we must appreciate Mr. Mhaskar has silently gone through all these for four years. As the matter is very serious your esteemed authority is requested to kindly conduct an enquiry so that such incidents will not repeat in future, at the same time counselling of Shri. T. P. Singh, OIM SCA is also required.

Hope to take early action to avoid future unrest.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**
