Subject : Shortage of medicines at Heera Platform Dispensary, and is common on all offshore installations.

Respected Sir,

We wish to address the said subject to all Asset Heads as this crisis has established in all offshore installations, spreading fear consciousness.

We are in a receipt of serious complaint from crew members of Heera Platform regarding shortage of medicines from last so many days. It is very unfortunate and painful that regarding shortage of medicines, we are receiving complaints frequently. The medical officer on Heera Platform has sent the medicine requirement on 23/11/2017. Please find enclosed the copy of complaint and requirement letter of Medical Officer for your perusal.

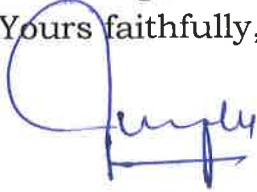

We feel that we must develop our system so that requirement can be sent to medical section or pharmacist in advance when there is minimum stock of medicines, so that action can be taken to send the medicines on Rigs and Platforms on priority. As the matter is very serious, crew members on platforms and rigs are agitated. If no action is taken will compel us to go on direct action. Hope your authority will gauge the seriousness of the issue of short supply of medicines to the offshore installations.

Thanking you.

Yours faithfully,
