**Subject : Shortage of hand gloves on BPB platform.**

Respected Sir,

This has reference to my visit to BPB platform on 9/12/2017. While interacting with crew members they have surfaced the requirement of hand gloves on the platform.

As you are aware cotton hand gloves are required every day for handling material as well as while doing maintenance job. It need not be mentioned or elaborated how hand gloves are important on platform for personal safety as well as equipment attended to. It is also very embarrassing when they find contractual employees always poses hand gloves of much better quality while on job.

Your esteemed authority is requested to give direction to concern authority to initiate the action for procurement of hand gloves, so that crew can work peacefully on platform so that maximum productivity can be achieved by avoiding any down time due to accident.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**  
**General Secretary**
