**Subject: Urgent meeting concerning increased vulnerability of
chopper operation for offshore, invariably Pawan Hans.**

Respected Sir,

We on behalf of Karmachari Sanghatana deeply convey our condolence to all the seven parted souls and pray to the almighty to grant patience and fortitude to all the affected family members including both the pilots.

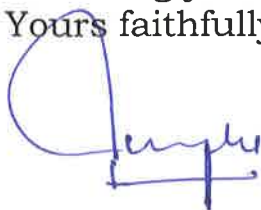

When we stand with the management at this extreme hour of grief and shock, we are restraining from unnecessary communication as well as activities which are not conducive. But We also need to address the mind blend of employees who are presently deployed in offshore.

We fully appreciate and endorse the contents of the message floated by Chief CC, but at the same time we are poured in with tons of enquiries from offshore immaterial of being executive or non-executives, before we communicate with them we need to know the views of our management or the lineup of action worked out to make the offshore employees more comfortable. Also very importantly want to interact with management concerning apprehensions of all in offshore with their experiences with the existing choppers.

We need not elaborate that this was not the first accident and loss of life, we also request the meeting may please conducted in presence of all Asset Heads, Drilling Heads as well as head logistics **within seven days** of issuance of this letter.

Thanking you.
Yours faithfully,

o/c

(Pradeep Mayekar)
General Secretary
