Subject : Notice of canteen bandh against non-implementation of faire wage policy & job security to existing 5 contract workers working in canteen of Priyadarshini building.

Respected sir,

We have complied to all the queries of MM-RO, we have also agreed to forego the financial implication resulting due to the arrears of 5 years painstakingly slow procedures and hence distancing justice is extremely inhuman.

They being in contractual employment in ONGC catering serving in Priyadarshini Building since April, 2010, presently is being asked to endorse all the documents for evidence which is already certified by our IR section. According to that three workmen are eligible for job security and remaining two will be considered as needed.

It is well known fact that all the authorities on chair way back in 2010 are either transferred or have retired from services of ONGC and it is natural of the present authorities is not in position to endorse or submit relevant documents as demanded by MM section of Regional office.

Present catering contractor is threatening not to renew their entry passes from 01.03.2018 and also they are getting the minimum wages since May 2017. In such situation we have no option left but to **proceed for canteen bandh from 20.02.2018**

We once again appeal to your good self to interfere in finding an amicable solution so that justice is done to these employees who have been serving us for more than a decade.

Thanking you,
Yours faithfully,

(Prakash Dalvi)
President
