To,

The ED - Plant Manager,
ONGC - WOU,
LPG Uran Plant,
Uran, Raigad.

O/c

Subject : Non-functioning of A/c's at BPCL metering section.

Respected sir,

We are in receipt of a very serious complaint regarding non functioning of A/c's at BPCL metering section, please find enclosed the copy of the complaint for your perusal.

It is very unfortunate to note that A/c maintenance contract has not been renewed from last one year. Moreover A/c's has shut down 3 to 4 times during last one month, which has been temperately repaired, this is a matter of serious concern keeping in view the hot and humid weather conditions. In fact it is not the job of union to raise such issues, we have departments with highly experienced senior officers to look into these maintenance contracts, how can they be so casual.

It is pertinent to mention that we have installed three meters at our BPCL station out of which one is not working. Other two meters we are running for 24 hours continuously which increases the temperature in the room. Moreover over heating of meters will reduce their life and can lead to a complete shutdown. To avoid the scorching heat in the room, employees are compelled to open windows, inviting dust in the room, which is not conducive to the instruments installed.

The installed meters at BPCL are imported and we have spent sizable foreign currency to import them. We strongly condemned the casual attitude of concern executives. It is not only damaging the work atmosphere but machinery also, which will lower the graph of our production. In fact non-functioning of the third meter also needs to be addressed with urgency.

:: 2 ::

Your authority will certainly appreciate our concern not only for our employees but also for the organization, having brought to your notice the seriousness of the situations, we remain assured that your esteemed authority will advise the concern officer in charge for prompt action so as to avoid further losses of ONGC. Your visit to BPCL station is highly appreciated.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
