Sub. : Empanelment of Alexis Hospital of Nagpur, Maharashtra.

Respected Sir,

We are in receipt of request application from **Alexis Hospital** situated in Nagpur city, Maharashtra for empanelment.

With immense pleasure and pride we would like to refresh that in our recent recruitment i.e. since 2009 substantial number of candidates were capable enough to get appointment in ONGC, Mumbai Region from Nagpur district and adjoining districts.

36 employees residing in Nagpur have supported for empanelment of the said Hospital. Please find enclosed copy of the same for your perusal. Moreover we understand employees working in other projects of ONGC all over India are residing in Nagpur and adjoining Districts, their dependents will also be beneficiaries.

Let me bring to your kind notice that, "**only one Hospital is empaneled by ONGC from Nagpur**" till date. Empanelment of this hospital will be of great help to the employees and their families residing in Nagpur as well as to the employees staying in adjoining district i.e. **Vardha, Yavatmal, Amravati, Bhandara, Gadchiroli, Gondia and Chandrapur**. Presently employees and their families are finding it very difficult for medical treatment as they have to rush to **Hospitals in Mumbai** for medical treatment, needless to elaborate delay in transport could be fatal.

At present only **Wockhardt Hospital Nagpur** is on the panel of ONGC, which does not has the facilities of Maternity ward. The employees recruited from 2009 are obviously young and most of them are newly married and doing regular on/off duty from above mentioned districts. Alexis Hospital is having **Maternity** as well as **Pediatric treatment facility** also aptly supported with **NICU**.

The employees who are admitting their wives for delivery are compelled to admit them in private hospital. As you are aware treatment in private hospital is taxable moreover total medical bill is sanctioned as per **KEM Pune Rate** which reduces the total amount of bill by almost **40%**. The employees residing in Nagpur and adjoining districts has to pay 30% tax on medical bills and additionally has to loose 40% amount on total medical bill.

To avoid all these loss of our employees we must impanel the **Alexis Hospital of Nagpur** at the earliest as the hospital is fulfilling's all necessary documents required by ONGC.

We request your esteemed authority to kindly give direction to the concern department for speedy action not only for the above facilities alone but also for various other medical treatment which are catered by the said hospital. Needless to mention, very correctly employees are also pressurizing hard for early empanelment.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
