**धन्यवाद, Thank you, शुक्रिया, Very much grateful, हार्दिक आभार**

We are immensely grateful to one and all who contributed and helped Karmachari Sanghatana to become recognised union in ONGC, WOU for the third time consecutively.

We ensure that we will not fail in our tireless endeavor for the betterment of all in future, be it regular, tenure, contract or direct employee as we have done in the past.

The trust that you have entrusted in us will never be breached. Our brother colleagues who could not vote for us are most welcome too, we are open to understand them too.

Once again a million thanks to one and all.
