

Recognised Union

Medicine in Empanel Pharmacy Shops

Respected Comrades,

Long pending demand of Karmachari Sanghatana for procurement of medicines in Mumbai through empanel chemist and continuous follow-up by union has been successful. Newly appointed Director HR Smt. Alka Mittal has given approval for the scheme. Invited tenders have been opened in Mumbai. Two pharmacy chain stores Apollo & Noble have offered 20 percent discount to ONGC. By first week of Jan 2019 employees will be able to take medicines from empanel stores. Apart from end of payment and reimbursement cycle, prime benefit to employee will be saving in Incometax. The medicine amount will not be added in gross income of employee as was added by reimbursement.

Yours Truly,

Pradeep Mayekar
General Secretary
