**Subject : Tabling the findings of the committee constituted following our letter addressed to your authority, further involving the union and crew members who have surfaced the issues.**

Respected Sir,

This has reference to our earlier letter no. **ONGC/KS/219/2018** dtd. 10/01/2018 regarding various issues of Rig Sagar Shakti. We understood that very prompt action was taken at your end and accordingly team was sent on Rig Sagar Shakti to investigate the issues mention in our letter. Please find attached the copy of our letter for your perusal.

We would like to mention here that no intimation was given to our union neither to the crew members on the rig. After their visit we came to know that a committee constituted of senior officers was sent on Rig by your authority. It would have been more proper if union and crew members were involved. Now what report has been submitted by the committee sent on Rig is unknown to us.

The issues narrated in the letter were serious in nature and are still unresolved neither any action has been initiated towards attending and improvising the uncomfortable situation, which are creating so many doubts about integrity of the issues attended to by the committee.

It will be more fare and appropriate if the undersigned and the union is provided with the copy of the committee's findings. Your esteemed authority is once again requested to kindly send the same committee on Rig Sagar Shakti involving union representatives along with crew members of Rig. If your authority really wishes to know the necked facts from the grass root level.

We assure you our every act is in the interest of organisation which will only conceive better atmosphere and confidence in the mind of executives and non-executives who are working hard on Rig to increase the Oil and Gas production.

Thanking you,  
Yours faithfully,

O/c
