Subject: Immediate procurement of Bed Sheets, Pillow Covers and Blanket Covers, not purchased for the last four years.

Respected Sir,

We are receiving repeated complaints regarding non availability of Bed Sheets, Pillow Covers and Blanket Covers on Rigs from crew members working on Drilling Rigs. In last four years, above linen items are not procured, still concern department is not serious for procurement of these items.

What should be the life of these linen items when used for 24x365 on Rig. The present linen items are totally worn out and torn too in these four year. Moreover, on some Rigs they are stitching the bed sheets and are using the same.

The present situation has been explained to our concerned authority recently in our meeting. It is understood that file has been forwarded to Headquarter, Dehradun for specification of linen items. It is so ridiculous and illogical as in last 40 years it was never felt for such requirement. Moreover these Bed Sheets are for Rig use only and are not individually issued to the crew members.

As the situation on Rig is very volatile and there is unrest among the crew. We must initiate the file for purchase of the linen items through Board Purchase as early as possible. It's such a humiliation that the largest oil producing region has to go to HQ to get specification of linens, we attribute this as deliberate dilatory tactics.

Your esteemed authority is requested to give direction to concerned authority to initiate the file for "**Board Purchase**". So that linen items can be sent to Rig to avoid further unrest among the crew members. We hope your authority will not compel us to go on direct action to resolve the issue.

Thanking you,
Yours faithfully,

ok
