Subject: Request not to nominate employees for HUET (Helicopter Under Water Escape) Training after 55 Years.

Respected Sir,

There is a continuous request from crew members of all rigs and process platforms regarding **HUET (Helicopter Under Water Escape) Training** to whom we are nominating after attending the age of 55 years. Your authority must be aware that, most of our employees are performing their duty in offshore up to 60 years i.e. till the date of retirement.

It can be ascertained that most of these employees working in offshore are suffering from Diabetes, Blood Pressure, High Cholesterol, Heart problems etc. At the age of 55 with all the above ailments HUET Training is quite tough and difficult to undergo.

It is pertinent to mention here that in the past one of our senior officer Shri. H. K. Pandey, DGM died during HUET training in the swimming pool of Goregaon, Mumbai, he was 57 years old. Most of the employees having age more than 55 have complained during HUET training of high blood pressure and fatigue.

:: 02 ::

Your esteemed authority is requested to kindly constitute a committee, consisting of Doctor so that decision may please be taken for employees above 55 years age of not sending them for HUET training.

Thanking you,
Yours faithfully,

o/c

(Pradeep Mayekar)
General Secretary
