Sub: Request to issue Identity cards from NBP Green Heights to the newly recruited employees in Uran Plant

Respected Sir,

It's brought to our notice that **Identity Cards** cannot be issued to the new joining executives and non-executives as the said machine is not working since **June 2019** and continues to remain non functional, neither any action is initiated to make it functional. It is pertinent to mention that we are continuously following up the issue with GM- I/c Security in Green Heights, DGM -I/c-Security at Uran Plant and ED-Infocom in Green building.

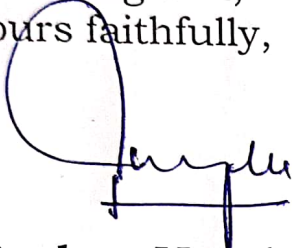

Recently 57 (Fifty Seven) AT's, JAT's and 20 AEE's have joined in Uran Plant are not having **Identity Cards**, are facing problems every day while entering in the plant. They are issued the passes on plain paper.

Very unfortunate to note that even after 6 months the machine is not repaired. Reason is given that due to fire on 3rd Sept. 2019 in the LPG plant Uran, cable damaged due to fire which is connected to the machine.

Your esteemed authority is requested to kindly give direction to the Security department to send these newly recruited employees to NBP Green Heights in Mumbai so that they can prepare their **Identity Cards**, so also early action may please be expedited to repair the machine so as to avoid hardships faced by the employees in Uran plant.

Thanking You,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
