

## **OIL & NATURAL GAS COMMISSION ( W O U ) KARMACHARI SANGHATANA**

Recognised Union

### **Congratulations! MOU 2004 cleared in board meeting.**

Dear members,

Friends, ONGC WOU Karmachari Sanghatana has played vital role in reopening of MOU-2004. It has happened because our union was not signatory to unjust MOU 2004.

After getting recognition in 2010 we have taken this issue on priority and Because of our great efforts "Review Committee for MOU 2004" was constituted.

Our union was first and the only union to issue letter with clear demand for amendment of MOU 2004 and time to time we have issued letters and declared our agitation program for early review of 2004. Our firm commitment and balance of aggression and assertion has finally yielded good result. It is the historical moment for our employees as well as our union also.

On 24/09/2019 in NRC meeting review of MOU 2004 was cleared and on 27/09/2019 subsequently in board meeting review of MOU 2004 has been approved. Very soon meeting of all recognised General Secretary's will be called to sign (MOS) Memorandum of Settlement.

Your whole hearted support and unity has made this impossible task possible. Union also thanks management representative in review committee, top officials of ONGC and entire board of director's for their cooperation, empathy and review of old pending issue and amicable resolution of the same.

Once again congratulations to all our members and well-wishers.

**Karmachari Sanghatana zindabad!**

**Workers unity zindabad!**
