**Subject: Request for rerouting of Panvel-Uran Shift and General Bus covering the pickup point at Karanjade.**

Respected Sir,

We are in a receipt of appeal letter from the employees of Uran Plant plying from Panvel to Uran Plant to cover the pickup point at Karanjade for the employees residing at Karanjade. Please find enclosed the copy of their appeal letter including the list of residents of Karanjade, duly signed by the employees for your perusal.

It is pertinent to mention here that only 4 kms distance will be added in the present route which is negligible as well as financial implications is also very less. By covering the point of Karanjade total 16 employees (A shift- 3, B shift- 4, C shift-2, D shift-2 and Gen. Shift- 5) will be benefited. By the said change, great relief will be given to employees residing at Karanjade as there is no transport facility available to reach them at present pick up point.

Your esteemed authority is requested to kindly give the direction to the concerned authority to initiate the proposal at the earliest.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**  
**General Secretary**
