Sub. : Empanelment of Dr. Hegdewar Rugnalaya, Hospital of Aurangabad, Maharashtra.

Respected Sir,

We are in receipt of request application from **M/s. Dr. Hegdewar Rugnalaya, Hospital** situated in Aurangabad city, Maharashtra for empanelment.

With immense pleasure and pride we would like to refresh that in our recent recruitment i.e. since 2009 substantial number of candidates were capable enough to get appointment in ONGC, Mumbai Region from Aurangabad district and adjoining districts.

40 employees residing in Aurangabad and adjoining districts have supported for empanelment of the said Hospital. Please find enclosed copy of the same for your perusal. Moreover we understand employees working in other projects of ONGC all over India are residing in Aurangabad and adjoining Districts, their dependents will also be beneficiaries.

Let me bring to your kind notice that, "**No Hospital is empaneled by ONGC from Aurangabad**" till date. Empanelment of this hospital will be of great help to the employees and their families residing in Aurangabad as well as to the employees staying in adjoining district i.e. **Beed, Nanded, Hingoli, Jalana, Parbhani, Dhule and Usmanabad**. Presently employees and their families are finding it very difficult for medical treatment as they have to rush to **Hospitals in Mumbai** for medical treatment, needless to elaborate delay in transport could be fatal.

:: 02 ::

The employees who are admitting their wives for delivery are compelled to admit them in private hospital. As you are aware treatment in private hospital is taxable moreover total medical bill is sanctioned as per **KEM Pune Rate** which reduces the total amount of bill by almost **40%**. The employees residing in Aurangabad and adjoining districts has to pay 30% tax on medical bills and additionally has to loose 40% amount on total medical bill.

To avoid all these loss of our employees we must impanel the **M/s. Dr. Hegdewar Rughalaya of Aurangabad** at the earliest as the hospital is fulfilling's all necessary documents required by ONGC.

We request your esteemed authority to kindly give direction to the concern department for speedy action not only for the above facilities alone but also for various other medical treatment which are catered by the said hospital. Needless to mention, very correctly employees are also pressurizing hard for early empanelment.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
