Subject: Decision for Covid-19 affected employees de boarded from offshore be sent to hospitals instead of hotels for treatment in future.

Respected Sir,

Our crew members for BPA Platform, B&S Asset were accommodated in **VITS Hotel** as they were found Covid-19 positive. Total **ten** employees including **eight** executives and **two** non-executives namely **Shri. Nilesh Thakur, CPF No.122837 and Vaibhav Bhale, CPF No. 126286** were in the Hotel VITS from 16.10.2021 to 22.10.2021 and 13.10.2021 to 22.10.2021 respectively. Why all these employees were not admitted in the hospital is beyond our understanding, moreover why such risk has been taken by the concern authorities is also matter of serious concern.

After their admission in the **Hotel VITS**, we were continuously in contact with them. They were complaining for insufficient food supplied to them. Complaints were sent in your email also. The undersigned spoke to your esteemed authority and with **Shri. Sanjay Lal, CGM (H&W), Shri. Subodh Kujur, DGM (HR)**, but it has fallen on deaf ears. All these employees were under treatment of Covid-19 for 7 to 10 days. No need to elaborate due to the treatment of Covid-19 they were getting hungry but were not supplied sufficient food nor breakfast. Please find attached the copy of the complaint written by **Shri. Nilesh P Thakur** for your perusal.

Following are the complaints received from employees:

- Insufficient quantity of breakfast was served to them throughout their stay in Hotel.
- No evening snacks was served even for a single day during their stay in Hotel for more than Ten days.
- No sufficient food was served to them in lunch and dinner
- Mineral water was not provided to them during their stay in hotel. Moreover hotel management has charged **Rs. 80 (Rupees Eighty Only)** per litre if ordered from the hotel room.

Even after continuous complaint there was no change in the food service (Lunch, Dinner and Breakfast) provided by Hotel which should be viewed very seriously.

Subject: Poor quality of stay at VITS quarantine hotel mumbai after corona positive at BPA platform

Dear sir,

I am raising the issue regarding poor quality of stay and food service at VITS hotel mumbai. I am suffering from corona and quarantined in this hotel right now.

The food quantity is very little to satisfy ones hunger and they provide only one vegetable. If you don't like that vegetable then there is no any alternative. In breakfast also, there is only one item like today (18.10.2021) they provided only idli and samber which was just ok in taste. Fresh fruits along with breakfast are being provided in very limited quantity.

Also, they don't provide packaged drinking water which is a prime requirement. They provide water in glass bottles of 600ml which doesn't feels good & hygienic. If you order from room service they charge Rs. 80 for 1L of water bottle.

Also, they don't provide any evening snacks which is a must for a comfortable stay and meeting nutrition requirement.

Sir,medicine given to us only if we pay the cash to medicine provider. We are coming to here directly from platform if anyone not having that much of money then what about medical treatment of that positive patient.

I feel that peoples staying in this hotel, are deprived of essential nutrition and hygiene which is required for a speedy recovery from COVID.

It is pertinent to mention here that no any doctor from ONGC side came to see us which is a must.

So, it my earnest request that issues mentioned above should be addressed at the earliest so that ONGCians suffering from COVID and quarantined in this hotel gets a speedy recovery.

Thanking you,

Regards,

Thakur Nilesh P.
