Subject: Request to arrange meeting to discuss the issues of Trombay Terminal.

Respected Sir,

We are in a receipt of issues from our employees of Trombay Terminal. Please find enclosed the copy of the same for your perusal. The complaints received are for non-functioning of Air Conditioning units, CCTV Systems, Compressors. The Motor operated valves are not fitted on the pipe line though they are procured but dumped near the line. There some operational problems which are to be addressed immediately. No morning and evening breakfast is provided at Trombay Terminal. This issue has been taken up in written number of times but has fallen on deaf ears. Please note that as Trombay Terminal is restricted area and no canteen can be run in the premises neither there is any arrangement for refreshments nearby in 3 Kms area.

There are some issues regarding safety is a matter of serious concern which has been narrated in details requires immediate discussion.

Your esteemed authority is requested to kindly go through the issues raised and arrange the meeting with the undersigned at the earliest so that all the issues can be resolved amicably for smooth functioning of terminal.

Thanking you,
Yours faithfully,

Pradeep
