**Sub: Reminder to provide 7-Seater Car for Trombay Terminal on the route
Bandra-Kurla -Trombay**

Respected Sir,

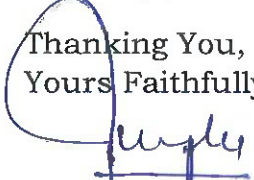

This has reference to our letter no. **ONGC/KS/663/2019** dated **31/07/2019** where we have requested for 7-seater car from employees working at Trombay terminal and travelling via route Bandra-Kurla-Trombay. Please find attached the copy of letter for your perusal.

At present Indica car is provided which accommodates only four employees. This is long pending issue not yet resolved. Almost two years have lapsed but decision is yet to see the light of the day. The present contract for vehicles is expiring in next three months.

Your esteemed authority is requested to kindly give direction to the concerned authority to initiate the proposal for 7-seater car so that more than four employees can be accommodates in the car. Financial implication for providing 7-seater car instead of 4-seater is negligible and definitely it will not dent our balance sheet. The journey to Trombay terminal via Kurla takes more than two hrs. as Trombay rout is overcrowded by heavy vehicles all the time. Providing 7-seater car will be comfortable for journey and will reduce their fatigue also.

Hope to take positive decision to avoid the hardships faced by our employees at Trombay terminal.

Thanking You,
Yours Faithfully,

(Pradeep Mayekar)
General Secretary

Subject : Request to provide 7 seater car for Trombay Terminal on the route "Bandra - Kurla - Trombay".

Respected Sir,

This has reference to our meeting held on **16th Jan. 2019** with Shri. A. E. Udhapure, GM (P) - I/c Trombay Terminal on various issues one of the issues was to provide shift vehicle of 7-seater on the route of Bandra - Kurla - Trombay.

At present Indica car has been provided which accommodates only four employees at a time. There is tanker loading of around 8 to 10 times in a month at JNPT and Jawahar Deep. Most of the time more than four employees are travelling in Indica car which is against RTO rules and safety also. This issue was discussed at length in the meeting.

Your esteemed authority is requested to kindly give direction to the concerned authority to initiate the proposal for 7- seater vehicle so that more than four employees can be accommodated in the car. As to and fro journey is of more than two hours employees can travel comfortably and will reduce their fatigue also.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
