**Subject: Request to sanction funds for installation of the statue of Shri Chhatrapati Shivaji Maharaj made of Bronze on the entrance gate of Nhava Supply Base.**

**Respected Sir,**

We are in receipt of request for installation of statue of **Shri Chhatrapati Shivaji Maharaj** from villagers of Nhava and our employees working at Nhava Supply Base.

**Shri Chhatrapati Shivaji Maharaj** the Maratha emperor who fought against the injustice done by the Mughals in the country. He is not only the symbol of pride of Maharashtra but of the entire nation. Let me recall, Govt of India too declared **Shri Chhatrapati Shivaji Maharaj** as "National Figure". With the request from locals and employees we are having an opportune moment to install statue of **Shri Chhatrapati Shivaji Maharaj**, which will be an epic honour of a "**Maharatna**" organisation like ours.

Your esteemed authority is requested to kindly initiate the proposal for the statue of **Shri Chhatrapati Shivaji Maharaj**, which will be of 6 feet high and made of bronze metal. Immediate positive action in the matter will be highly appreciated.

Thanking you,  
Yours faithfully,

  
(Sandeep Gawde)  
Working President
