Subject: Empanelment of "Aster Aadhar Hospital" of Kolhapur, Maharashtra to get the benefits to the employees residing in the adjoining districts

Respected Sir,

We are in receipt of request application from "**M/s. Aster Aadhar Hospital**" situated in Kolhapur city, Maharashtra for empanelment.

With immense pleasure and pride we would like to refresh that in our recent recruitment i.e. since 2009 substantial number of candidates were capable enough to get appointment in ONGC, Mumbai Region from Kolhapur and adjoining districts.

More than 75 employees their families are residing in Kolhapur and adjoining districts have supported for empanelment of the said Hospital. Moreover we understand employees working in other projects of ONGC all over India are residing in Kolhapur and adjoining Districts, their dependents will also be beneficiaries. There are some retired employees settled in Kolhapur Districts.

Let me bring to your kind notice that, "No Hospital is empaneled by ONGC from Kolhapur" till date. Empanelment of this hospital will be of great help to the employees and their families residing in Kolhapur as well as to the employees staying in adjoining district i.e. **Sangli, Satara, Sindhudurg and Ratnagiri**. Presently there is no ONGC panel hospital in above mentioned adjoining districts. Presently employees and their families are finding it very difficult for medical treatment as they have to rush to Hospitals in Mumbai for medical treatment, needless to elaborate delay in transport could be fatal.

The employees who are admitting their wives for delivery are compelled to admit them in private hospital. As you are aware treatment in private hospital is taxable moreover total medical bill is sanctioned as per KEM Pune Rate which reduces the total amount of bill by almost 40%. The employees residing in Kolhapur and adjoining districts has to pay 30% tax on their medical bills and additionally has to loose 40% amount on total medical bill when sanctioned as per the rate of KEM, Pune.

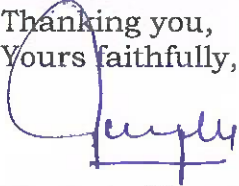

To avoid all these loss of our employees we must impanel the **M/s. Aster Aadhar Hospital of Kolhapur** at the earliest as the hospital is fulfilling's all necessary documents required by ONGC.

We request your esteemed authority to kindly give direction to the concern department for speedy action not only for the above facilities alone but also for various other medical treatments which are catered by the said hospital. Needless to mention, very correctly employees are also pressurizing hard for early empanelment.

Thanking you,
Yours faithfully,
