Subject – Request to extend the bus route from ONGC Colony Panvel upto Karjat, Dist. Thane plying to Nhava Supply Base.

Respected Sir,

We are in a receipt of application from the employees working at Nhava Supply Base to provide bus facility upto Karjat, Dist. Thane. There are total thirteen employees have given application with their signatures are commuting on the route from Karjat to Nhava Supply Base by their own arrangement which is not only very hectic, tiring, time consuming and expensive also.

These are the employees residing on the following route from Karjat to Nhava Supply Base:

Karjat Dand Phata, Chouk Villegge, Hiranandani Fortune City, Godrej City- Khanavade, Shedund, Shedung Toll Plaza, India Bulls- Cone Villegge, Palspa Phata, JNPT Highway, Pushpa Nagar- Dapoli, Ulwe to Nhava Supply Base.

Presently ONGC bus is plying between ONGC Colony, Panvel to Nhava supply Base. All the enlisted employees are coming to ONGC colony Panvel and boarding the bus for their further journey to NSB to attend duty, which becomes very exhaustive.

The distance from Nhava Supply Base to ONGC Colony Panvel is 24 Kms, whereas from ONGC Colony, Panvel to Karjat is 26 Kms. If sanctioned the route by the competent authority upto Karjat Bus has to travel total 50 Kms via Shedung Toll and back. The financial implication is approx. Rs. 3.00 lakhs per annum which is negligible as compared to the benefits of our employees.

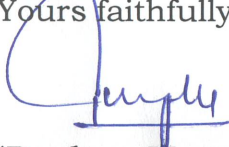

It will reduce the fatigue they encounter every day and make them more work oriented and certainly more efficient. Moreover, travelling by our bus is safer as some employees are travelling upto NSB by their own motorcycles. This extended facility will instal immense mental piece by reducing their physical stress. The total journey time from Karjat to NSB would be 1.5 Hrs. one way.
